The City of San Diego welcomes you to a public presentation and asks for your ideas on the proposed site development of Canyon Hills Resource-Based Park.

What is a Resource-Based Park?

Resource-Based parks serve the regional residents, and/or visitor population; developed amenities should not impact the distinctive features or resources; provide habitat and resource protection.

What is the Purpose of the Meeting?

KTU+A Planning and Landscape Architecture, along with the City of San Diego, look forward to hearing your input on possible passive neighborhood park improvements for the Canyon Hills General Development Plan. Members of the public are invited to participate in the discussion and share their ideas.

Where is the Project Located?

Located in Mira Mesa. West of I-15 and South of Mercy Road, on Alemania Road.

What is Being Proposed?

The project proposes passive neighborhood Park Improvements for the General Development Plan including trails, picnic tables, shade shelters, benches, and natural habitat preservation.

Council District / Community:

Mira Mesa Recreation Council – CD#6
