Re: Item H1- Proposed Term Sheet for Joint Occupancy Project at Scripps Mesa  
Conference Center Site

Honorable Board of Education members,

In regard to Item H1 on tonight's agenda, my office has received numerous contacts from Scripps Ranch residents with concerns about the project as proposed. Although the project falls within San Diego Unified School District's jurisdiction, constituents have brought their concerns to my attention.

I understand that the Scripps Ranch Schools Committee, the Scripps Ranch Civic Association and more than 1,600 Scripps Ranch residents have registered their opposition to the project. Scripps Ranch residents are proud of their active engagement with local public agencies, and such involvement ensures wide distribution of information and productive public discourse about the merits and impacts of proposed projects.

At the Conference Center Site, residents are requesting an active role in envisioning a project that complements Scripps Ranch. Thank you for addressing the educational needs of children in Scripps Ranch and thank you for including the community in your facilities planning process.

Sincerely,

DAVE ROBERTS  
Third District Supervisor  
County of San Diego County Board of Supervisors
