From the Desk of Assemblymember Brian Maienschein

The Legislature is now gearing up for another busy legislative session.

Over the coming months, Assembly and Senate Committees will analyze thousands of bills and determine if they will move forward in the legislative process. As Chair of the Local Government Committee, I look forward to working with my colleagues and our state's local government leaders on ideas that will help strengthen our communities.

I am also in the process of finalizing my 2015 legislative package. As many of you know, I care deeply about issues surrounding homelessness, and it has been my goal for many years to try and find viable solutions to help individuals and their communities take care of this devastating problem.

Working towards that goal, I will be introducing legislation that will allow homeless families easier access to temporary shelter assistance, create an oversight mechanism to help communities develop housing and program strategies more efficiently, and eliminate major road blocks that impede affordable housing efforts. I look forward to working with my colleagues on these and any other ideas that will help give our homeless communities an opportunity for a better life.

Feel free to contact me at my district office at (858) 675-0077 for any assistance we can provide. My staff and I look forward to serving you and it is an honor to be your Assemblymember.

Assemblymember Maienschein Attends 2015 Deputy Sheriffs' Association Board Installation

On January 23rd, Assemblymember Brian Maienschein recognized the Deputy Sheriffs' Association of San Diego County's Board of Directors. The Assemblymember presented certificates to outgoing board members, Hank Turner and David DiCarlo, as thanks for their dedicated service during the organization's installation luncheon held at MCAS Miramar.

The DSASD is an organization that represents over 2,000 sworn deputies that work for the San Diego County Sheriff's Department. They strive to promote the professionalism of their officers through service to the community. The Assemblymember is proud to have been a part of this event which honors the dedicated law enforcement officers that ensure we are all kept safe.

Assemblymember Maienschein Visits Archi's Acres

Assemblymember Brian Maienschein recently toured Archi's Acres in San Diego County. The small-scale farming enterprise utilizes hydroponic technology to grow organic produce. Founded in 2006 by Colin and Karen Archipley, the couple aims to provide the local community with a viable and sustainable farming business.

The Assemblymember was impressed by the Archipleys' desire to assist veterans with career opportunities in farming. Partnering with Cal Poly University - Pomona, Archi's Acres helps educate veterans in a six-week course about small-scale farming called VSAT (Veterans Sustainable Agriculture Training). For more information on Archi's Acres and/or their VSAT program, you can visit www.archisacres.com.

Maienschein "Bookin' It For The Broncos"

I was excited to kick off the 2nd Annual "Bookin' It For the Broncos" 5k fun run/walk this past weekend, benefitting the Rancho Bernardo High School Friends of the Library. The Rancho Bernardo Friends of the Library is a non-profit, volunteer organization dedicated to supporting the RBHS Library.

The money raised by this event will provide new books and help cover some of the costs for staff at the library. There were close to 130 registered runners, vendor booths, music and lots of fun. I would like to thank everyone for their participation and look forward to seeing everyone next year.
