Tips

- **Interested in helping our trees- here are some ideas:**
The Kate Sessions Commitment “Healthy Trees for Healthy Neighborhoods” program offers high-quality nursery trees that are relatively easy to grow in San Diego. Check out the Nurseries that are participating. Lots of great information as well.
<https://katestrees.org/get-started/>
- Visit [TreeWatch San Diego](http://www.treewatchsd.org/) to find out how you can help restore the City’s Heritage Tree program and revitalize the Community Forest Advisory Board - and learn important ways to help <http://www.treewatchsd.org/>
- Please be sure to read the 2022 guidelines for proper waste recycling. There should not be any plastic bags in the blue bin and styrofoam packaging is recyclable.
<https://www.sandiego.gov/environmental-services/recycling>
- Have your gas appliances check. Call Customer Contact Care Center at (800)411-7343
