

## Sustainable Scripps Ranch in July

Happy 4<sup>th</sup> of July

### Solana Center

#### Smart Ways to Fight Food Waste Webinar - City of San Diego-free online

**Tuesday, July 12, 6-7pm**

Speakers will share practical solutions to reduce food waste in your home, and discuss how incorporating these practices into your daily life can be a great way to help the environment and save money.

The webinar will be recorded, and the recording will be available for 1 week *to City of San Diego residents only*.

<http://www.solanacenter.org/civcrm/event/info%3Fid%3D2177%26reset%3D1>

**Saturday, July 30, 10-11am**

#### Solana Center for Environmental Innovation 137 N El Camino Real, Encinitas 92024

**Green Living Tour** - walk through some easy steps to address issues around water, waste, soil health, and more with practical solutions you can incorporate into your life and home.

<https://www.solanacenter.org/free-compost-workshops>

### North County Climate Change Alliance

**Thursday, July 14 5:30-7:30pm**

Bill McKibben is an author and environmentalist who in 2014 was awarded the Right Livelihood Prize. He is a founder of 350.org, the first planet-wide, grassroots climate change movement,

### Stargazing at West Sycamore

East end of Stonebridge Pkwy

**Friday, July 15, sunset- rain or clouds cancel**

Park on the street and walk in. Please no white lights.

<https://sdaa.org/>

### SDG&E Seminars-online

Home Energy Efficiency, Solar & Storage

**Tuesday, July 19, 4-7pm**

Applying a whole home performance lens to the home before or during a solar system design process ensures the optimal solution and will more likely address the homeowner's real concerns and be effective. A great intro course for someone who will be participating in the Home Energy Series 3-part webinar offered in August.

<https://seminars.sdge.com/seminars>

### Scripps Mesa Garden Club

**Tuesday, July 26, 5:45pm**

Scripps Ranch Library-10301 Scripps Lake Dr., 92131

Master Gardener Dawn Standke will speak about integrated pest management-with a good dose of discussion on what chemicals are, and if avoiding synthetic pesticides is a good goal.

## **WaterSmart Landscape Makeover Series**

A free educational program that will empower you to upgrade your high-water-use turf area into a WaterSmart landscape. This is done through four classes with lectures, *all at no cost to you*.

<https://www.watersmartsd.org/residential/landscape-makeover-program/>

**Turf removal rebates are only available to pre-approved projects submitted through [SoCalWater\\$mart.com](https://www.socalwatersmart.com)**

## **Tips**

San Diego Community Power (SDCP) is a local provider of electricity that will serve our communities by bringing you cleaner energy. Learn more at:
