

## Sustainable Scripps Ranch in September

### San Diego Building Electrification Coalition

**Friday, September 16, 10am**

**Scripps Ranch Library-10301 Scripps Lake Dr., 92131**

#### Benefits of Home Electrification for Health, Climate, and More

The City Council voted unanimously to ban fossil fuel in new construction while also electrifying nearly all existing buildings over the next 12 years. This could certainly affect many of us.

- Learn what is Building Electrification
- Why it is so important to reduce carbon emissions
- Case studies of homeowners electrifying their homes including tips and lessons learned.

Want to try an induction cooktop for free for 3 weeks:
